About Today's Lesson...

In today's data-driven world, it can be difficult to find good, solid, “common sense” advice when we need it. Put another way, finding people with true wisdom can be a tall task. Self-help books and literature have their place. But if you are looking for the ultimate in divine wisdom, look no further than the book of Proverbs.

The book of Proverbs is a compendium of practical examples on how to live according to godly wisdom. Need advice on how to manage money ? How about advice on managing relationships ? Want information on how to raise children ? Do you seek general information on how to live a happy and successful life ? Then read the book of Proverbs. The book of Proverbs offers timely, divine wisdom that when acted upon, allows you to live out the life that God has planned for you.

During this lesson, we will examine a few of the proverbs written by Solomon - a key contributor to the book of Proverbs. Your path to divine wisdom will be enriched.
